THE MINISTER OF EXTERNAL AFFAIRS (SHRI I.K. GUJARAL): (a) Yes, Sir.

(b) Government have been sharing with friendly governments on a continuous basis the evidence available with us from various sources of Pakistan's active involvement in terrorism in India. Government has repeatedly made it clear that the US decision to transfer the $ 368 million arms package to Pakistan would adversely affect the peace and stability of the region. The arms supply also ignored the fact that Pakistan was involved in supporting terrorism in India. The US Government has stated that the current supply of arms to Pakistan is a one-time release of the military equipment held up on account of the 1990. Pressler Amendment sanctions, and does not constitute the resumption of a military supply relationship with Pakistan.
